

Buddhismus in Berlin e.V.

Maitreya's famous Mahāyānasūtrāṅkāra with Do Tulku Rinpoche Online Event – Five Fridays (starting 8. April)

We feel very honored and happy that Do Tulku Rinpoche - a wonderful teacher and translator - has accepted our request to teach on this very rich and practical text by Buddha Maitreya, entitled “[Mahāyānasūtrāṅkāra](#)” (The Ornament of Mahāyāna Sūtras). Since this treatise is a general commentary on the Mahāyāna Sūtras, we will gain a very comprehensive understanding of the authenticity and the essence of the entire Mahāyāna journey and its result. With his very clear, humorous and interactive style, Rinpoche will lead us through this precious and celebrated treatise verse by verse.
